

1st amendment application 10/650,378 Bruno Gagnon

SPECIFICATION

page 7, line 9

Fig. 6 is a schematic of the kitchen ~~barcode~~ bar code reader

Fig. 7 is a schematic of the waiter ~~barcode~~ bar code reader

page 8, line 16

The kitchen (20) also has a pager (28) as well as a bar code reader (30) generally situated near the order window with its accompanying waiter ~~barcode~~ bar code reader (30') situated nearby. A monitor screen (32) shows the sequence of orders and to which waiter (16) it is attributed to, but more on that later.

Page 9, line 7

Besides the busboy/hostess (24) and waiter pagers (26), there is also a kitchen pager (28) which can communicate with the busboy pagers (24) as well as the waiter pagers (26). **Fig. 2** also shows ~~barcode~~ bar code readers (30) and (30'); a database (34); and a monitor screen (32) for use by waiters (16).

page 11, line 1

Fig. 6 shows the kitchen ~~barcode~~ bar code reader (30) which, for practical reason and to avoid confusion, is generally but not necessarily, divided into two separate units, the
